

Education & Training in AV archiving: Train trainees and trainers, seen from the supervising trainers' perspective

Albrecht Haefner, Dr. Dietrich Schueller (Phonogramme Archive Vienna), Nadja Wallaszkovits (Phonogramme Archive Vienna), Dr. Gisa Jaehnichen (Universitaet Frankfurt/Main)

Panel Discussion on urgent questions such as:

- The appropriate level of theoretical background and overall depth of instruction: adapting the level of training to the specific needs of trainees and trainers
- The importance of basic teaching materials
- The balance between theory and practice
- Linguistic and transcultural problems
- Sustainability of training: from follow-ups towards an official AV profession and national education
- General cultural and social settings of training courses in various types of institutions, regions and countries: fundamental preconditions which training concepts should be based on
